The Conference

The Conference will comprise of 3 main introductions:

- 1. Unconscious Bias and Dementia**
- 2. Unconscious Bias, LGBT and Dementia**
- 3. Unconscious Bias, BAME and Dementia**

Each introduction will be followed by roundtable discussions all information gathered shall be used to create a conference report

Registration for people with Dementia and unpaid supports

Bursary places are available for people with dementia and where necessary their unpaid support

To register for a place contact karen@deepnessdementiaradio.com

Registration for Professionals & Allies

karen@deepnessdementiaradio.com

The registration fee for professionals to the Conference is £325 includes one nights Bed & Breakfast and conference dinner

Two-day rate without Accommodation is £225

One day places available at £125 per day

Registration includes refreshments which will be provided during the morning and afternoon breaks, with food and refreshments being provided during the Lunch Breaks

We hope you find our Conference both informative and challenging bringing into the Public Domain an inclusive narrative of experiences from across the cognitive impairment Spectrum. Professionals at conference will not be expected to speak or comment until the closing session of conference.

Helping to change practice, perceptions, understanding and providing an alternative narrative to stigmatizing views.
